SeaDogShucker.com

Limited Warranty

Sea Dog® Shucker (“We” or “Us”) warrants to the original purchaser only (**“You” or “Your”**) that the Sea Dog® product purchased will be free from material defects in both materials and workmanship. Normal wear and tear excepted, for a period of **one year** from date of purchase. The foregoing warranty is valid only if the installation and use of the product is strictly in accordance with product instruction. There are no other warranties, expressed or implied, including the warranty of merchantability or fitness for a particular purpose. If the product does not comply with this limited warranty, Your sole and exclusive remedy is that We will, at our sole option and within a commercially reasonable time, replace the product or product component without charge to You. This limited warranty is not transferable.

Limitations on the Warranty

The limited warranty does not cover: (a) normal wear and tear; (b) damage through abuse, neglect, misuse, or as a result of any accident or in any other manner; (c) damage from misapplication, overloading, or improper installation; (d) improper maintenance and repair; (e) product alteration in any manner by anyone other than Us, with the sole exception of alterations made pursuant to product instruction and in a workmanlike manner.

Obligations of Purchaser

You must retain Your product purchase receipt to verify date of purchase and that You are the original purchaser. To

make a warranty claim, contact Us at SeaDogShucker.com, you will identify the product by make and model number, and follow claim instructions that will be provided. The product and the purchase receipt must be provided to Us in order to process Your warranty claim. Any returned product that is replaced or refunded by Us becomes our property. You will be responsible for return shipping costs or costs related to Your return to Us.

Remedy Limits

Product replacement or a refund of the purchase price is Your sole remedy under this limited warranty or any other warranty related to the product. We shall not be liable for: service or labor charges or damage to Your property incurred in removing or replacing the product; any damages, including, without limitation, damages to tangible personal property or personal injury, related to Your improper use, installation, or maintenance of the product or product component; or any indirect, incidental or consequential damages of any kind for any reason.

Assumption of Risk

You acknowledge and agree that any use of the product for any purpose other than the specified use(s) stated in the product instructions is at Your own risk.

Important Safety Considerations

WARNING

- Read and understand all instructions. Failure to follow all instructions may result in serious injury.
- The warnings, cautions, and instructions in the manual cannot cover all possible conditions or situations that could occur. Exercise common sense and caution when using the Sea Dog® Shucker. Always be aware of the environment and ensure that the Sea Dog Shucker is used in a safe and responsible manner.
- DO NOT modify the Sea Dog® Shucker in any way. Unauthorized modification may impair the function and/or safety and could affect the life of the Sea Dog Shucker. There are specific applications for which the product was designed.
- The Sea Dog® Shucker should be used in a safe manner and should be used with the recommended safety equipment. Any other use of the Sea Dog® Shucker is not recommended and will void the warranty.
- Industrial or commercial applications must follow OSHA requirements.
- Recommended Safety Equipment; (a) Always wear “Cut-Resistant Gloves” (b) Always wear “Safety Eyewear”
- Only Recommended Use; (a) Shellfish (Oyster)

Maintenance & Cleaning

Maintenance

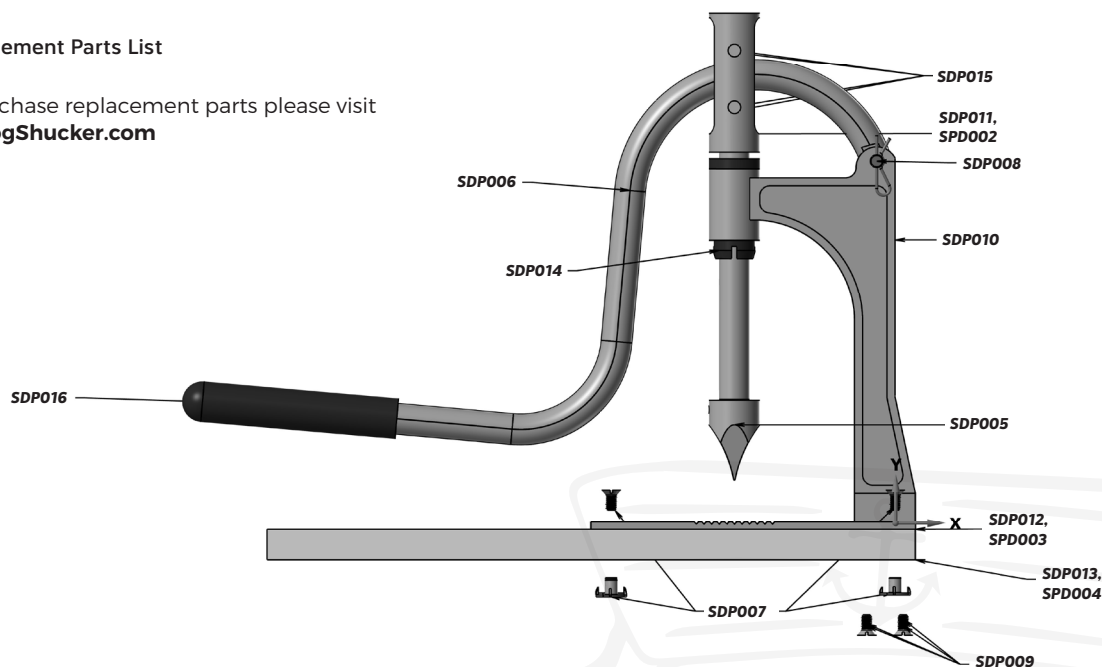

- The Sea Dog® Shucker should always be well lubricated using only food grade lubricant as needed.
- Spike tip can be sharpened. Sea Dog® Shucker recommends replacing tip if it is broken, chipped, or if it has been resharpened more than three times.
- Replacement product components, gloves and knife are available at SeaDogShucker.com

Cleaning

- The Sea Dog® Shucker must be cleaned after each use. Thoroughly wash with hot water and dish detergent. Any salt and shell residue left from the Sea Dog® Shucker also should be removed. When finished, dry with towel and store.
- Industrial or commercial applications must follow OSHA requirements for cleaning.

Product Instructions

How to Use

1. Place Sea Dog® Shucker on a level footing.
2. Raise the handle while holding oyster hinge side up and align spike to oyster hinge.
3. Check to make sure spike is lined up with hinge and begin to press downward on the handle.
4. After breaking hinge, twist oyster 1/4 turn while spike is still in oyster.
5. Lift handle to remove spike from oyster.
6. Remove top half of shell and enjoy!
